Fun loving Twin brothers present “Top 40 From the Last 40.” Four decades of the music you know and love with a unique twist. This unforgettable, engaging show is all ages and features one of a kind renditions of everything from Sinatra to Ed Sheeran, Louis Armstrong to Dua Lipa, Michael Jackson to Daft Punk, Leonard Cohen to Nirvana. Get ready to sing, dance, laugh and take your soul on a feel good ride through the chart topping hits of American Music.

Pronounced B-Twins, this high energy entertainment group continues to captivate audiences worldwide with its unique renditions of crowd favorites and engaging, uplifting live show that targets the masses. Led by charismatic Twin brothers from Brazil, they combine a plethora of genres into a feel good performance that is equal parts rock concert, dance party, jam session and vacation for the soul.

Growing up in the violent, impoverished slums of Rio De Janeiro, the Twins began playing classical music on violins their father handmade. They used music as an escape from their reality and began teaching others in their neighborhood to do the same. After being featured on National Public Radio, the Twins were invited to the US on full ride music scholarships in 2008.

After performing over 1,000 shows around the world the past decade, the B2wins continue to cultivate a loyal fan base wherever they perform. From hip-hop heads to jazz aficionados, pop enthusiasts and ravers, rockers to reggae fans, all find common ground together with the B2wins. Using music as the tool, the B2wins are on a mission to make the world smile.
